* The election of the first directly-elected mayor in 1978 eliminated one of the two council seats leaving only one council office to be filled and creating an uneven number of council office terms expiring every two years. To remedy this situation, Council adopted a resolution in 1978 providing for the candidate receiving the third highest number of votes in the 1980 election to serve a two year term until 1982. (See 12/19/78 agenda report for details.)
